I spoke with Jim Zellmer this morning and it looks like the MOU won't get signed any sooner than Dec 18. At the Friday meeting with WDNR, the Coalition and the Counties, both attorneys for the counties said their boards would need to approve the MOU before the counties sign, and Juneau's next board meeting is Dec 18.

He also said he will send me an update via email after he talks with WDNR attorneys.

Hi Anne, Jeff and all - checking for any update from WDNR on whether we can do a joint WDNR/EPA press release in signing of Juneau MOU? And recognizing that one approach might be a three-party press release w WDNR/Counties/EPA. Adding Cheryl who is acting for me today and tomorrow. Jim 214-490-6707 cell

Anne - thanks for checking w WDNR about whether a joint WDNR/EPA press release could be done for Juneau MOU. Pat Stevens/WDNR had previously said that a joint press release could be considered as we got closer to an MOU. Pat adds below that he's given WDNR's comms office a heads up about a call from us. Hi Jim: Thanks for the VM. I haven't been able to get an update on the discussion today. I also passed on to our communications person that he may be getting a call. Thanks much, and Happy Thanksgiving.
